Applicant's Declaration

I, the undersigned, wish to apply for number portability in the manner indicated in this request form and agree to pay any relative charges.

I declare that I do not have ADSL service on the line that I am requesting to be ported in this request form. I declare that I do not have a CPS service associated with my line.

I further understand and consent to the following:

1. If my number is successfully ported in the manner indicated in this request form, the existing contractual relationship that I have with my current fixed line service provider shall terminate forthwith. This shall however not affect any and all accrued or outstanding rights and obligations arising under such contract, which rights and obligations shall survive the porting so long as they are not inconsistent with it. I understand that in the event of such successful porting, this completed request form shall form an integral part of my contractual relationship with the Recipient Operator together with any other application form and/or conditions of service that Recipient Operator may publish from time to time.
2. By completing this form I hereby authorise the recipient operator to act as my mandatory vis-à-vis my current fixed line service provider and as such
 - a. to request such provider to close my current fixed line account;
 - b. to instruct such provider to apply an announcement stating that my number has changed and;
 - c. to do everything necessary to process my request in this form.
3. As soon as my current fixed line account is closed, I may lose any voice messages that may be stored in my voicemail.
4. As soon as my current fixed line account is closed, my current fixed line provider shall remove any entry/entries relating to my current fixed line account that I may have in any directory information service of such provider.
5. If my current fixed line account is pre-paid I will, as a result of porting, lose any unused credit that I may have remaining with my current fixed line provider.
6. My current fixed line provider shall be entitled, following the porting, to recover any equipment and/or wiring that I have been using in relation to my current fixed line account.
7. I understand that the donor operator is not allowed to initiate contact with me from when they are aware of my signed application form and for a period of two months after the porting has been successfully completed, and that I should report any violations of this requirement to the recipient operator. Nevertheless, I may contact the donor if I wish to do so.
- 8. I hereby declare that I am aware that after signing this application form, the recipient operator shall not accept another application on my behalf to migrate back to the donor, or to another service provider using Fixed Number Portability for a period of two months after completion of the migration process.**

Dikjarazzjoni ta' l-Applikant

Jien, hawn taħt iffirmat, nixtieq nappilka biex nittrasferixxi n-numru tat-telefon tiegħi kif hawn indikat f'din il-formola filwaqt li naqbel li nħallas it-tariffi applikabli.

Jien niddikjara li l-linja telefonika li f'din il-formola qed nitlob biex tiġi trasferita mhux qed tiġi użata għal servizz ta' l-ADSL. Jien niddikjara li m'għandix servizz ta' CPS assoċjat mal-linja telefonika fissa tiegħi.

Barra min hekk jien nifhem u naqbel mal-punti hawn taħt:

- Jekk in-numru tiegħi jiġi trasferit skond kif tindika din il-formola, l-kuntratt bejni u bejn l-operatur tal-linja fissa tiegħi jiġi tterminat minnufih. Madankollu, din ma' jkollhiex effett fuq l-obbligazzjonijiet ta' dan l-istess kuntratt, u dawn l-obbligazzjonijiet jibqgħu applikabli matul it-trasferiment sakemm ma jkunux inkonsistenti ma' dan l-istess trasferiment. Jien ukoll nifhem, li fl-eventwalità li t-trasferiment tal-linja telefonika jkun komplut, din il-formola tkun tiffirma parti mill-kuntratt tiegħi ma' l-operatur il-ġdid, flimkien ma' applikazzjonijiet u kundizzjonijiet oħra li l-operatur il-ġdid jista' jippubblika minn żmien għall-ieħor.
- Billi nimla din il-formola qed naċċetta li l-operatur re/ijpjent ikun l-operatur tal-linja fissa tiegħi, kif ukoll
 - Jittermina l-linja fissa kurrenti tiegħi ma' l-operatur preżenti;
 - Javża' li n-numru tiegħi nbidel;
 - Jagħmel dak kollu ne/essarju biex isehh dan it-trasferiment.
- Hekk kif il-kont tal-linja fissa kurrenti tiegħi jingħalaq, il-messaġġi li għandi pendenti fuq il-"voicemail" se jiġu mħassra.
- Hekk kif il-kont tal-linja fissa kurrenti tiegħi jingħalaq, l-operatur kurrenti huwa mitlub inehni l-informazzjoni kollha li jista' jkun hemm fuq kwalunkwe servizz tad-direttorju provdut minn, li b'xi mod jew ieħor tagħmel riferenza għal-linja fissa kurrenti tiegħi.
- Permezz ta' dan it-trasferiment, jekk il-linja fissa kurrenti tiegħi hija pre-paid, jiena nitlef il-kreditu li ma uttiliżajt ma' l-operatur kurrenti tal-linja fissa tiegħi.
- Wara li jsir dan it-trasferiment, l-operatur kurrenti tal-linja fissa tiegħi għandu d-dritt li jiġbor xi apparat u/jew "wiring" li jien qed nagħmel użu minn, meta nuża l-linja fissa kurrenti tiegħi.
- Nifhem illi l-operatur kurrenti tal-linja fissa tiegħi ma jstax jagħmel kuntatt miegħi minn meta jsir jaf b'din l-applikazzjoni ffirmata u sa perjodu ta' xahrejn minn meta jkun sar it-trasferiment u f'kas illi l-operatur kurrenti jikser din il-kundizzjoni, għandi nagħmel rapport ta' dan il-ksur lill-operatur reċipjent. Madankollu, jiena nista' nagħmel kuntatt ma' l-operatur kurrenti jekk jien nixtieq nagħmel dan.
- Jien hawn niddikjara li jiena konxju li wara li niffirma din il-formola ta' applikazzjoni, l-operatur reċipjent ma jstax jaċċetta applikazzjoni oħra f'ismi biex isir trasferiment lura lejn l-operatur kurrenti jew lejn operatur ieħor li juża Trasferiment ta' Numru tal-Linja Fissa, għal perjodu ta' xahrejn minn meta l-proċess ta' trasferiment ikun komplut.**
