NexTV is different, NexTV is new, NexTV is smart.

This guide will help you enjoy Melita NexTV from the moment you start using it. The best part is that the more you use Melita NexTV the better it gets. Your NexTV Decoder adapts to you, suggesting recommended programmes and adapting the menus based on what you watch.

The smartest way to discover and enjoy great entertainment

Getting Started:

1. NexTV will always start on live TV, on the last channel watched.
2. There are three easy ways to start discovering:
 - A Right arrow to see channels
 - B Up or down arrows to see programmes
 - C Red shortcut to see programe guide
3. Scroll using the arrow keys and press **OK** to select and watch a programme.

Finding your way around NexTV

What you see on the remote control is what you see on the TV screen – easy isn't it? Press the **OK** button in the middle of your remote to get to the home screen. The arrow buttons let you choose the options around the centre.

-  **Catch-Up** View programmes that were shown within the last seven days.
-  **OnDemand** Choose from a great range of films and series available to rent from the Melita On Demand movie catalogue.
-  **My World** For personal info including **Preferences** and **Favourites**. Here you can adjust your personal settings.
-  **Apps** For the radio player. We'll be adding more apps here soon.

Press **OK** again to see what's on live TV now and for the next seven days.

- ♥ **Recommended** Suggested pages based on your viewing.
- ☆ **Favourites** Channels and programmes you have marked as a favourite using the **star button**.
- 📺 **Guide:** Programme guide.
- ☰ **Lists** Programme guide with images.

The Remote Control

Getting the most from Melita NexTV

Catching up on programmes from last week

Melita NexTV offers a range of programmes with the Catch-up feature, look for the  for the programme guide

- ▶ If you have missed your favourite programme press **OK** to go to the home screen
- ▶ Choose **Catch-up**
- ▶ Choose **Guide**
- ▶ You'll be shown all channels that have the Catch-up feature.
- ▶ Browse through the past seven days of shows and choose any programme you wish, press **OK** and enjoy!

Watching NexTV from a different device

You can enjoy NexTV from your sofa, or anywhere else via Melita internet or MelitaWiFi. Simply download the free Melita NexTV app from the Google Playstore or Apple Appstore, log in with your MyMelita username and password, and you'll be able to enjoy NexTV from your smartphone or tablet. If you'd like to discover great content from your computer or laptop visit tv.melita.com. You can even start watching something in Catch-up on your TV, pause it and continue watching on another device

Remember to register for MelitaWiFi to use your free monthly access to watch NexTV from over 50,000 hotspots across Malta.

Using quick search

You can use this to search for anything; an actor, an actress, a director, a channel, a film, whatever you like.

- ▶ Choose **Q** on your remote or from the home screen.
- ▶ Type in at least three letters using the letter keys on the remote.
- ▶ Channel pictures of suggestions will be shown, the more letters you type, the more the results get filtered.
- ▶ When you have found what you were looking for, select **Done** or press the **back button**.
- ▶ Scroll to the programme you want to watch, and press **OK**.

Quick search works when you're watching live TV and from most of the programme guides and menus, but if you're watching in Catch-up you'll need to press **back** or **OK** before you start searching.

Watching two programmes on one screen

- ▶ Whilst watching live TV press the **up** or **down** arrow to display the programme ribbon.
- ▶ Select the second programme you'd like to view.
- ▶ Press **OK**, then select **Split screen** from the pop up menu.
- ▶ You will hear the sound from the programme showing on the left of your screen.
- ▶ To listen to the other programme use **↔**.
- ▶ You can pause, rewind and fast-forward your main programme and the second programme will carry on.
- ▶ Press **Exit** to return to normal view.

Filtering what you see in the programme guide

There's so much to choose from on NexTV sometimes you need to narrow down your searches. No problem, from the **Lists** or **Guide** menu you can filter by category, day or channel.

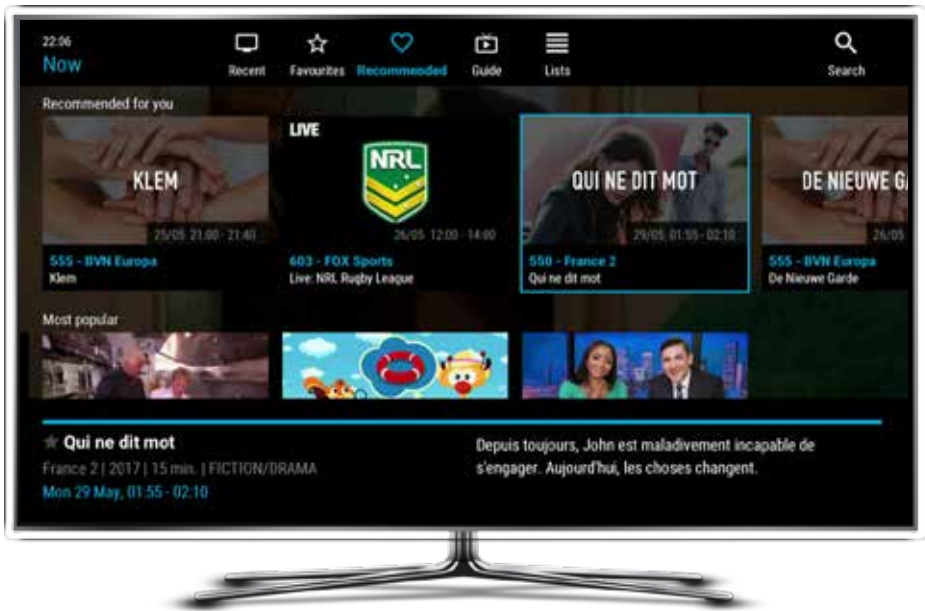

- Select the **Category** icon and you'll see a pop-up box showing all the categories available, you can then filter your search results, so if you fancy some comedy, select **Comedy**, and your NexTV decoder will show you all the content available.
- Continue filtering or press **back** to clear the filter.
- **Exit** to go back to the programme you were watching.

Using recommendations

Not sure what to watch and fancy trying something new? Easy! Just look at NexTV's recommended section for suggestions based on your past viewings.

- ▶ Press **OK** to access the home screen
- ▶ Press **♥**, and you'll see two ribbons of programmes appear on your screen.
- ▶ Use the arrow buttons to select one of the ribbons, either **Recommended for you** or **Most popular**.

Setting shortcuts

Use the four **coloured** buttons on your remote to set shortcuts to your favourite channels or menus.

- ▶ To create a shortcut simply go to the option that you would like to create the shortcut for.
- ▶ Press one of the coloured buttons for a few seconds until a display on the screen indicates that the shortcut is set.
- ▶ Then press **back** button to go back to enjoying your programme.
- ▶ Two of the most popular menus are already programmed.
The **red** button is programme guide, and the **green** button is the OnDemand movie catalogue.

Finding similar series to the ones you like

- ▶ Press **OK** on your remote to access the home page.
Select **Now** and go to **Favourites**.
Select **My Favourite Programmes** and you'll be shown a set of pictures of all the programmes you've marked as **Favourites**.
- ▶ Select a programme by pressing **OK** and choose the second option, **Recommended**
- ▶ Two ribbons will appear on your screen:
 - ▶ **More like this**, will recommend similar programmes based on the type of programme, who's acting, the content, the year etc.
 - ▶ **People who watched this also watched** suggests programmes and movies based on what is popular in Malta.
- ▶ You can scroll through the suggestions, select by pressing **OK** and then choose to watch, set a reminder, or mark as a favourite.

Renting a film

- ▶ Press the **Green** short-cut to access Melita OnDemand catalogue, hundreds of Hollywood blockbusters and cinema classics to rent at the touch of a button.
- ▶ Or from the home screen, choose **OnDemand** and select between Movies, or New Releases.
- ▶ You can also browse through **Favourites** or **Recommended**.
- ▶ When you've chosen a film, enter your PIN and enjoy. The default PIN is **1111**. You can reset your PIN by selecting **MyWorld** and **Settings** from the home screen.

Setting a reminder

Got something you really want to watch? Simply search for the programme, using the search function, guide or other methods.

- ▶ Select the programme you'd like to see, a pop up will appear on screen and enable you to set a reminder by pressing the appropriate button.

Scanning through a programme or movie

When watching **OnDemand** films or series, **Catch-up**, or live TV on a Catch-up channel, you can use the pause, fast forward and rewind. Use the left and right buttons to move 3 minutes forward or 3 minutes backwards.
